12th May 2011 Leeds

Cone Penetration Testing *

27th January 2011 Glasgow
25th February 2011 Wallingford, Oxon
13th May 2011 Leeds

Engineering & Environmental Geophysics

23rd February 2011 Wallingford, Oxon

Presented by

Fugro Water Services,
Fugro Engineering Services Ltd
and Fugro Aperio.

*accredited for CPD by Geological Society

Fugro Water Services will share our expertise in advanced survey techniques with the water industry at our free courses to be held in Wallingford on 24th February 2011 and in Leeds on 12th May 2011. We also continue to offer our well-established Cone Penetration Testing and Geophysics courses providing the option of 1, 2 or 3 day courses.

The course in Water Survey Techniques includes:

- remote sensing (satellite)
- airborne survey
- ground investigations
- geophysical survey
- oceanographic monitoring.

For consultants & engineers in the water or geotechnical industry.
